

124/3

to the binary number  $0.101$   
(decimal  $0.625$ ) For an iterate  
to pass arbitrarily close to  $0.101$   
we would need for some  
iterate  $read$  either  
 $0.101$  (ruled out by ②)  
or  $0.10011111\dots$  (ruled out by ①).
